

Bridge School Malvern

Newsletter - Autumn 1 - 2024

The Hanley site is currently covered in autumn leaves and, thanks to our young horticulturalists, there has been a marvelous harvest of enormous pumpkins and squashes. We expect Mumma Pig to have delivered a litter of little piggies by the time we get back in November, when we will have seven whole weeks of fun, learning, teamwork and discovery to look forward to. In the meantime, we wish you all a safe and happy October break.

Summer Hill Walk

The summer term feels like it was ages ago, but the hill walk at the end of term was the perfect way to connect with each other while building social skills and resilience. It provided a wonderful opportunity to celebrate the close of a fantastic year, look forward to the next one, and create some great memories to look back on.

Jamie's Farm Revisited

Focus and challenge

Teamwork, challenge, and communication have been the focus of our activity sessions this half term. It's been a highlight to see our pupils engage so positively with these activities.

In September, the team at Jamie's Farm welcomed back some of the Helix pupils (BS2). It's always inspiring to hear about their achievements and personal development. Our pupils demonstrated resilience, perseverance, and significant personal growth. We look forward to continuing to work with Jamie's Farm this year.

Green Woodworking

This academic year, we've introduced a new skill: green woodworking. During the summer, we cleared the area and set up a tent, providing students with the opportunity to develop their skills in this craft. Already, we've seen some pupils making spatulas and refining their techniques.

UPCOMING WEBINARS 2024

October 23rd - Autism and Anxiety
